about NIF

At NIFD Global, we're not just a school but a beacon of design, management, and beauty, illuminating the path to creativity and excellence across India and beyond. Our School of Design, School of Management, School of Beauty and various Education courses offer a diverse array of programs, ranging from Fashion Design to Interior Design, Management, Beauty, Makeup, and Hairstyling; providing students with a wealth of expertise and inspiration. Our mentors weave their rich experience into every course, nurturing creativity in our students.

Our courses offer industry-aligned curriculum taught by expert faculty, providing hands-on experience for students to thrive in the dynamic world of Design, Management, and Beauty. These courses are aligned with 'New Education Policy' (NEP 2020) offering students comprehensive skills-based training.

At NIFD Global, we are nurturing design professionals!

reinvent design

The impact of NIFD Global – the influence on the Design, Management and Beauty industry will not be confined to the classroom; it will extend to major events such as New York Fashion Week, London Fashion Week, Dubai Fashion Week, and Lakmé Fashion Week x FDCI.

school of **design**

NIF's School of Design is a hub of creativity and innovation, nurturing talents in fashion and interior design with a rich legacy spanning decades. Students benefit from a dynamic learning environment led by experienced faculty and industry experts, gaining both theoretical knowledge and practical skills.

New Era of Transformation with **Medhavi Skills University**

NIF Global has joined hands with the National Skill Development Corporation (NSDC) and Medhavi Skills University (MSU), paving the way for the New Era to transform the educational landscape in India. These programs, under the New Education Policy (NEP 2020), released by the Government of India, will offer students comprehensive skills-based training in the realms of design, management, and beauty significantly enhancing their employability.

This collaboration will bring together esteemed guests and industry experts, signaling a transformative phase in education and skill development. Under the New Education Policy (NEP 2020), these innovative programs in design, management, and beauty will be offered, combining the academic excellence of Medhavi Skills University with the skill-building prowess of the design campuses of NIF Global.

The collaboration aims to empower students with creative arts and skills, making them employable in the rapidly growing industry. All degrees, diplomas, and certificates will be authenticated by Skill India and the National Skill Development Corporation (NSDC).

Aligned with the National Skills Qualifications Framework (NSQF) and National Credit Framework (NCrF), these courses will foster holistic development and industry readiness.

fashion week

As pioneers, NIF Global unveils the creations of its student designers on illustrious global stages, including London Fashion Week, New York Fashion Week, Dubai Fashion Week, and Lakmé Fashion Week x FDCI seamlessly bridging the gap between traditional Indian craftsmanship and a forward-looking design vision.

a global **network**

The institute's vision is deeply rooted in promoting our rich heritage and craft on the global stage. Young designers across NIF Global Campuses curate theme-based collections that artfully blend tradition and modernity, showcase on the global platform.

The vibrancy of Indian culture, vibrant traditions, rich heritage, unparalleled craftsmanship takes center stage on global platform. This celebration of craftsmanship fosters a deeper understanding and appreciation for cultural diversity worldwide.

LONDON FASHION WEEK

NIF Global teams up with London School of Trends (LST) for a game-changing collaboration at London Fashion Week (LFW), empowering students to shine on a global fashion platform.

- **Curation of Statement Outfit:** In this program, select NIF Global x LST students get to design and showcase an outfit for London Fashion Week, mentored by industry professionals, turning creative visions into reality and gaining hands-on experience.
- **Capsule Collection:** Students can opt to showcase a stand-out garment or a captivating "capsule collection" of five pieces, offering flexibility to explore creativity and cater to diverse tastes within the fashion industry.
- **India Day:** London Fashion Week will host an exclusive "India Day," in collaboration with the **High Commission of India**, celebrating Indian fashion and design, showcasing India's vibrant heritage and innovative spirit on the global stage.

Takeaways:

- **Creative Development:** Students will design statement outfits mentored by industry professionals, gaining hands-on experience and refining their creative skills.
- **Global Exposure:** Participation in London Fashion Week offers students a global platform to showcase their talent and exposes them to diverse trends and perspectives in the fashion industry.
- **Cultural Appreciation:** Collaboration with "India Day" celebrates Indian fashion, fostering cross-cultural understanding and appreciation among students.
- **Professional Skill Development:** Students will learn about presentation, branding, and networking, essential for success in the fashion industry.
- **Versatility:** The option to showcase either individual garments or a capsule collection encourages students to explore diverse creative directions.
- **Self-Confidence:** Successfully showcasing designs at a prestigious event like London Fashion Week boosts students' self-confidence and empowers them to pursue their passion for fashion.

NEW YORK FASHION WEEK

NIF Global partners with London School of Trends (LST) for an exclusive collaboration at New York Fashion Week (NYFW), blending two fashion powerhouses for a dazzling display of creativity and style.

NIF Global offers students the magical madness of NYFW. In this program, select NIF Global x LST students get to showcase a garment as part of a group collection. The students will enjoy a range of benefits tailored to enrich their fashion experience and expand their horizons.

Takeaways:

- Experience the latest trends and innovations in the global fashion industry at NYFW.
- Build valuable connections with industry professionals and peers, enhancing networking skills.
- Cultivate creativity and critical analysis by engaging with cutting-edge designs.
- Develop teamwork and collaboration abilities through group activities and discussions.
- Enhance communication skills by articulating ideas and insights about fashion trends and practices.
- Reflect on personal and professional growth, setting goals for future success in the fashion industry.

DUBAI FASHION WEEK

Experience the fusion of culture, creativity, and couture as NIFD Global x LST collaborates with Dubai Fashion Week (DFW), offering students a unique chance to showcase their talent on DFW's prestigious runway. As the only official platform in Dubai, DFW is dedicated to showcasing the city's boundless creativity and fostering growth in the Arab fashion industry.

Students will design and showcase singular garment or captivating "capsule collection," with the possibility of internships at DFW, providing invaluable industry insight. Open to all students, the program includes a 10-day trip in Dubai, immersing them in the vibrant fashion landscape.

Takeaways:

- Runway Showcase: Students will exhibit their designs at Dubai Fashion Week, gaining global exposure.
- Creative Impact: Crafting unique garments, students infuse creativity into Dubai's fashion scene.
- Flexible Presentation: Students can opt for individual pieces or capsule collections, showcasing versatility.
- Internship Opportunity: Top students may secure internships at DFW, gaining industry insights.
- Inclusive Learning: Open to diverse backgrounds, the program fosters interdisciplinary collaboration.
- Cultural Immersion: A 10-day Dubai trip offers first hand experience of culture, fashion, and commerce.

Transforming the

design

industry

As a key partner in the esteemed Lakmé Fashion Week x FDCI, NIF Global takes center stage in the GenNext show, unveiling emerging design talents each season.

Selected student designers secure direct entry to present their collections at 'The Runway' during Lakmé Fashion Week x FDCI, reinforcing the institute's pivotal role in shaping the future of design in India. Interior Design students craft exclusive sets for select design shows, showcasing their creative prowess.

NIF Global presents **GenNext**

We proudly present the Gennext show, a valuable platform for new talent to showcase the creativity and aesthetics to a broader audience, both nationally and internationally. The program not only aims to highlight the innovative designs of these budding designers but also network with key players in the fashion industry and launch on a larger scale.

N E X A

NIF Global x **The Runway**

NIF Global provides students with an exclusive chance to showcase their talent at 'The Runway' during Lakmé Fashion Week x FDCI, reinforcing our dedication to nurturing emerging talent. Fashion students unveil their collections on the runway, while interior designers seize the opportunity to design sets for the shows at the premier fashion week, gaining valuable exposure and networking opportunities.

Our students, hailing from across the country, converge at the ramp, bringing diverse perspectives and inspirations.

design

CARNIVAL

NIF Global's Design Carnival showcases creativity and innovation of fashion and interior design students, serving as a gateway to Lakmé Fashion Week in partnership with FDCI. Over five days, students from NIF Global centres nationwide present their designs to a panel of judges from industry, competing for a spot at Lakmé Fashion Week x FDCI.

Winners of the fashion design segment get the chance to showcase their collections at 'The Runway' show, while interior design winners design sets for designer shows at Lakmé Fashion Week x FDCI, highlighting their talent. This bi-annual event underscores NIF Global's dedication to nurturing creativity and empowering the next generation of designers, re-affirming its commitment to providing a platform for emerging talents.

TIME MACHINE

OUR CONCEPT IS BASED ON CLOCK WHICH SHOWS TIME WHICH ALWAYS KEEPS RUNNING, SAME WAY THE FASHION ALSO RUN WITH THE NEW IDEAS & INNOVATIONS. BASED ON THE TIME WE HAVE BEEN INSPIRED BY THE STYLING & WORKING IN TODAY'S FABRICS SHOWING PERFECT SILHOUETTE OF WOMEN.

The e-learning experience offers a unique opportunity to delve into their experiences, challenges, and brand journeys.

This supplementary course can complement any other program at NIF Global for Fashion and interior design students. Upon successful completion of each module, you'll receive a certificate from RISE Worldwide.

Takeaways:

- Real-world insights and practical knowledge beyond textbook learning
- Brings industry trends, techniques, and best practices directly to the classroom
- Understand the approaches, methodologies, and preferences of eminent experts
- Fostering Inspiration and motivation among students
- Access e-learning modules from anywhere

Step into the world of quirky brilliance at NIF Global, where our students don't just make waves internationally, they splash onto the pages of prestigious fashion publications. Our longstanding association with Femina Miss India has enriched our brand journey. From Annie Thomas in 1998 to Manushi Chhillar and more, beauty queens grace our centres nationwide to inspire our design students.

Femina Miss India finalists also visit our centres to share their achievements, solidifying our commitment to nurturing and empowering aspiring talents on their journey to success.

Femina Miss India

As the 'Education Partner' for NIF Global – School of Beauty and the 'Knowledge Partner' for NIF Global – School of Design, we strive to give every student an image makeover. But wait, there's more! We've teamed up with Femina Miss India to empower aspiring beauty queens with the skills they need to shine in the competitive world of pageantry. And the cherry on top, our guidance leads to the creation of the NIFD Global Miss Talented Award, celebrating exceptional talents who light up the stage.

Takeaways:

- Gain hands-on experience and recognition in prestigious fashion publications.
- Develop a unique blend of traditional Indian assets with a forward-thinking vision.
- Empowerment through collaborations with industry leaders like Femina Miss India, fostering talent and recognition in the competitive world of fashion and pageantry.

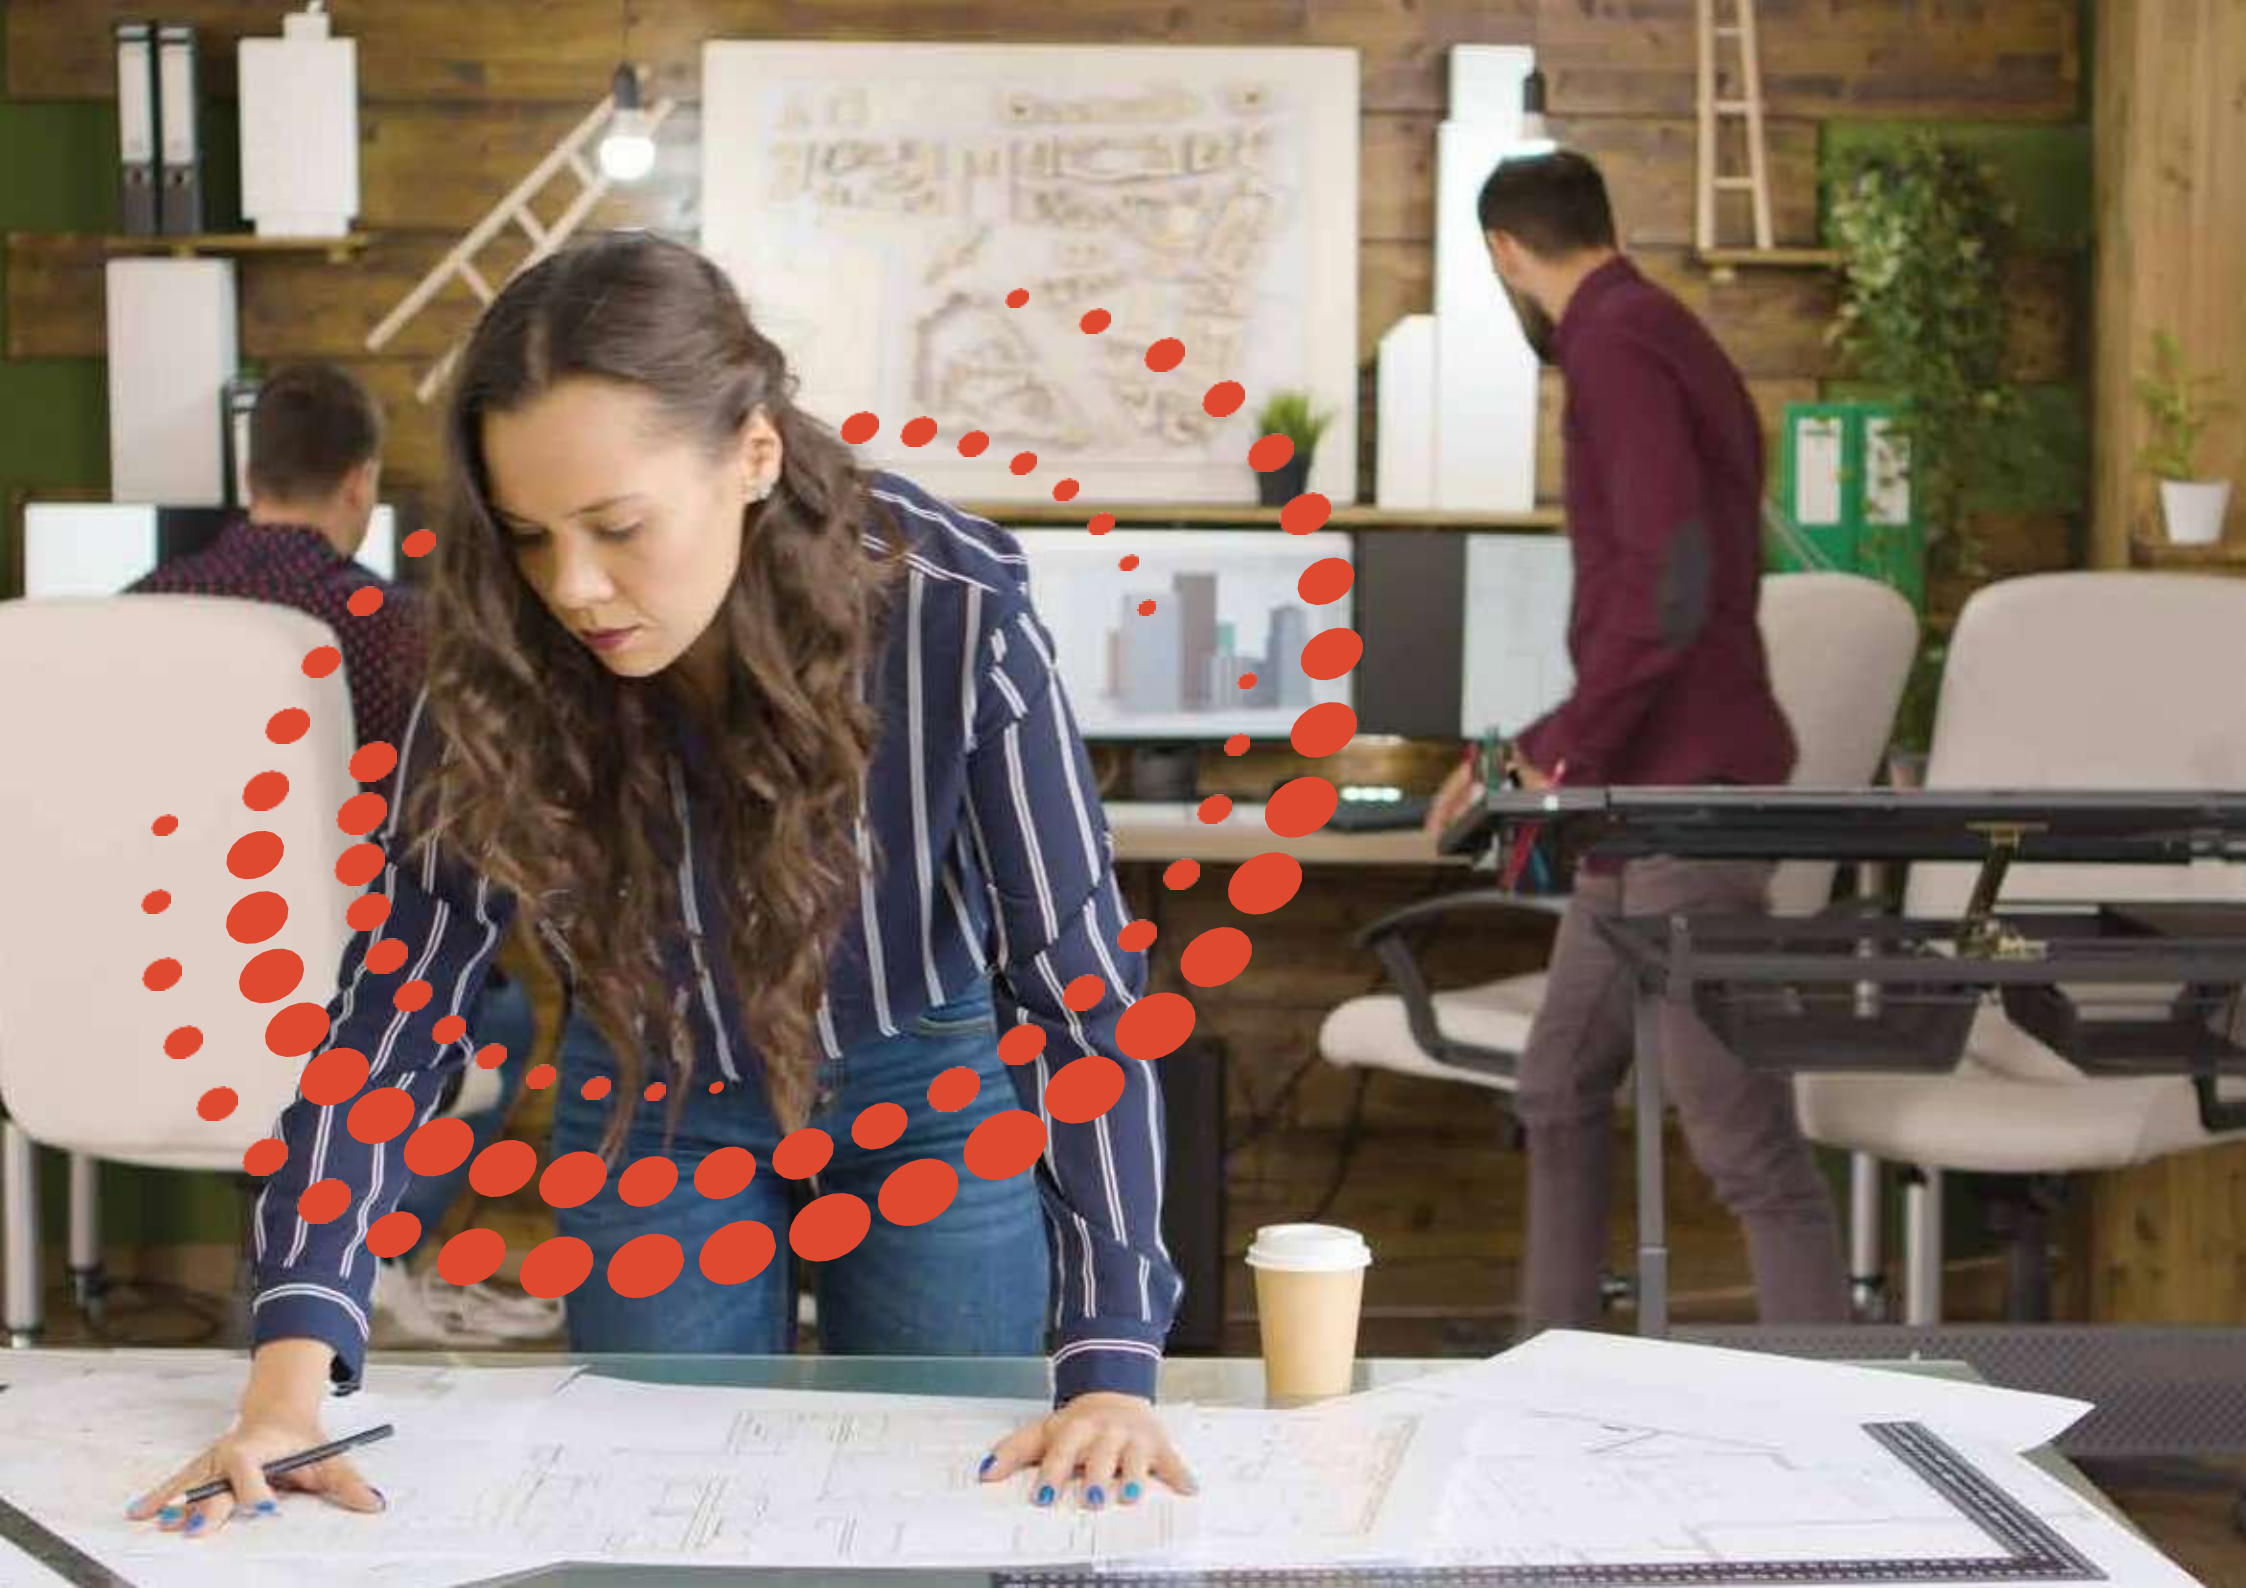

NIF Global & London School of Trends

NIF Global and London School of Trends (LST) have embarked on a groundbreaking partnership, blending their expertise to nurture the next generation of creative minds in the ever-evolving realms of fashion and design. The London School of Trends (LST), a leading design institution in London, UK, boasts of extensive experience in shaping the careers of influential figures in the fashion world.

Through LST's distinctive foreign outreach program, students from NIF Global can now access world-class industry training in London, with specially curated 4 week residential programs at cost-effective fee structures accredited by the British Accreditation Council.

- At the heart of the program are workshops and lectures conducted by industry experts. These sessions delve deep into various aspects of design, covering topics such as trend forecasting, material exploration, and design theory.
- A key component of the program is portfolio creation and shoots. Participants work on creating and refining their portfolios under the guidance of mentors, ensuring they showcase their work effectively and professionally.
- To immerse participants in the vibrant world of design, the program includes fashion street tours and market visits.
- For those focused on interior design, the program offers visits to design stores and studios. Participants have the opportunity to explore the latest trends in furniture, decor, and materials, gaining valuable insights into the world of interior design.
- Throughout the program, participants have the opportunity to upgrade their skills through practical exercises and hands-on projects.

learn in **london**

NIF Global's London Residential Program is an immersive experience designed to elevate skills and expertise in various programs in the art, design, fashion, interiors communication and experience studying in London. This intensive 4-week residential program offers a comprehensive array of activities aimed at enriching participants' knowledge and honing their creative abilities.

01

Global Network

Join a diverse community of students and industry professionals, expanding your network and opening doors to opportunities around the world.

02

Learn from the Best

Benefit from world-class education, whether through British accreditation in collaboration with LST or independent courses, ensuring you learn from the industry's top experts.

03

Be Prepared for the Future

Equip yourself with the skills and knowledge needed to thrive in the ever-evolving world of fashion and design, setting yourself up for success in your career.

04

Hands-On Experience

Dive into practical, hands-on learning experiences that allow you to apply what you've learned in real-world scenarios, building confidence and expertise.

05

Access to Expertise

Access pre-recorded videos from industry experts, offering valuable insights and guidance to supplement your learning journey and enhance your skills.

Embark on a
transformative journey
**where creativity
meets innovation.**

Our Design, Management, and Beauty courses are not just about education; they're a canvas for self-expression, a brushstroke of innovation, and a runway to shape the future of aesthetics.

Dive into the artistry of beauty and design, where every stroke tells a story, and every creation is a masterpiece in the making.

At NIF Global, the empowerment and inspiration of students to dream big and go beyond the ordinary will be a constant focus. With a futuristic vision and strategic national and international collaborations, NIFD Global will consistently transcend boundaries, offering a new perspective to the market and careers in design, management, and beauty
